Dear Dan,
I think that I shall never meet a Dan so lovely & so sweet. Always stay as sweet as you are. I know you'll always do your best (generosity, consideration, always ready to lend a helping hand) these virtues are consistently personified in you. Best wishes always

Reverend Edward Dougery

To Father Dougery with high esteem this annual is dedicated. In the past he was the chaplain for the soldiers of the Second World War. Now he is our minister in the battle of life offering us the aids without which it is most difficult to survive spiritually. The Friday morning sacraments, Penance, and the Holy Eucharist in Mass, for which we are indebted to Father, assert the basis for the true spirit of La Salle. When he elevates the host, we see the truth which we are here to learn.

Brother S. Martin, M.A. (Cand.)
University of California
Principal

Students of La Salle:

Yours is a most proud heritage!

As Christian Brothers' Boys, you share the inheritance of an education, a character formation second to none. You participate in the tradition which has established St. John Baptist De La Salle as the Patron of All Teachers. As students at La Salle High School, you bask in the academic recognition already established for the school by former students.

Thus, the glory and honor of two traditions are yours. Yet you cannot remain complacent. Yours is the challenge to further this heritage. Yours is the task to continue the construction of this reputation.

Sincerely, in Christ

Brother S. Martin, FSC

To The Faculty and Students:

It is common to find many teen-age boys who judge a school good that makes slight demands upon their time, the quantity of noise made at athletic games, and the number of social opportunities provided. The La Salle student body has set itself the task of forming a right spirit, characterized by their enthusiasm for academic excellence and a dedication to La Salle not born of emotional verve but rather of common bond between teacher and student in jointly pursuing goals that have lasting reward.

Sincerely, in St. La Salle,

Brother R. Emery, FSC

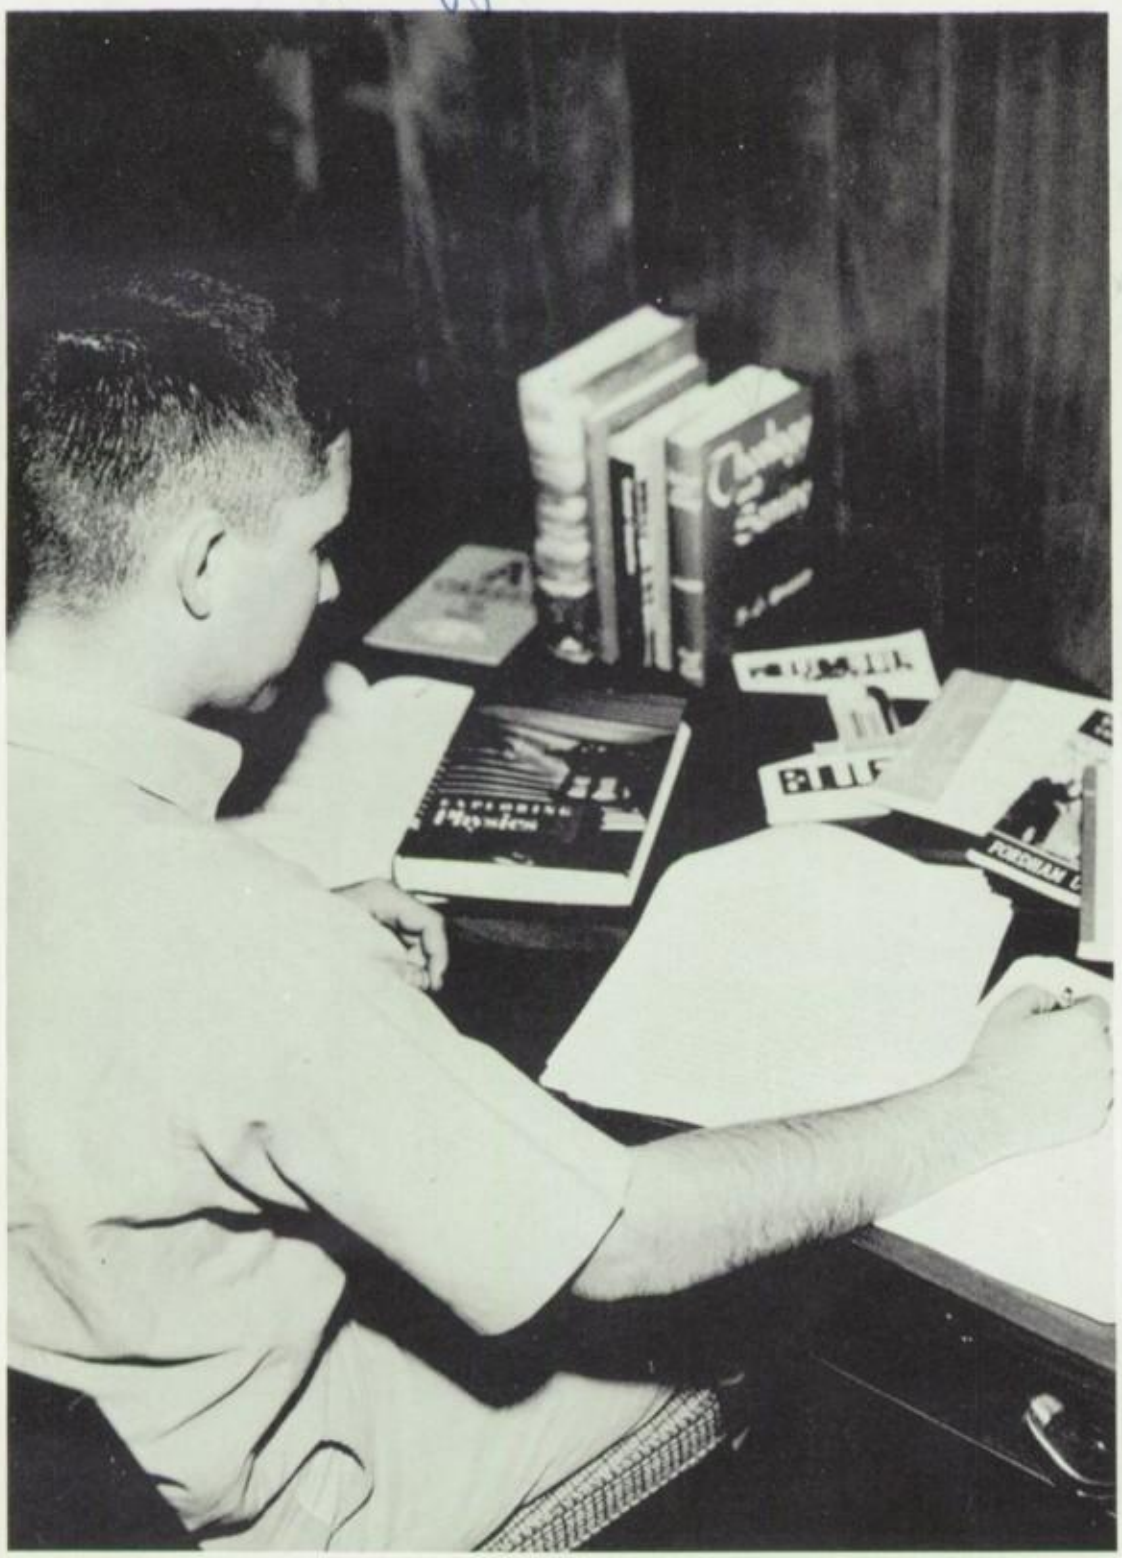
SENIORS



Notable among the customs which have endured in student life from the sixteenth century is seniority, based on age and length of membership in the school, for positions of responsibility. Senior students have always provided the foundation for self-government and for enforcing a certain amount of discipline through example and leadership of younger students. They are responsible for their actions as a guidance to those around them. The Seniors are a pen which writes the destiny of their followers in later years; this can not be erased or forgotten but is always present after they faithfully depart the bounds of high school. It is this final year which is recorded and remembered as the height of the student's achievement.

Organization representatives make their voices heard.

The Council sponsors the annual Sno-Ball.

HONOR SOCIETY

Officers Jack Werner, Gary York, Terry Mead discuss semester honor roll with Brother R. Emery, moderator.

The enthusiasm and industry necessary for success in athletics is organized in the Letterman's Club. These traits aid the club in its many activities. Primary among these is the grammar school basketball tournament, which establishes the school's reputation among potential students and athletes. The lettermen also serve as ushers keeping our assemblies orderly. Food and drinks are provided at the basketball games by the club. Finally, members are responsible for the cleanliness of the gym for our games.

FINE ARTS FORUM

Fine Arts Forum bulletin board is prepared by chairman Matt Cappiello with the aid of members Jim Blackstock and Bob Teegarden.

The cultural status of our school has risen to new heights with the formation of the Fine Arts Forum. The purpose in general is to stimulate, among the students, a desire to broaden their lives in respect to cultural activities. The forum is made up of representatives from the various clubs of the school: Artist Guild, Music Department, Honor Society, Yearbook, and Lance Newspaper; under the leadership of Matt Cappiello, Vice-President, and Brother Harold.

The Fine Arts Forum, this year, has presented movies for the student body, Byzantine Liturgy masses, and several lectures on various cultural subjects. This is just a small part of its contributions to the school. It has supplied for the students information on a monthly bulletin board on which the best Music, Art, Drama, Cinema, Books, TV, and Cuisine are listed. There is also a News-Letter, which is proposed to give the students additional information for social activities.

Brother Harold prepares the Forum's weekly newsletter, receiving suggestions from Don Cashmore, John Seredich, Jim Blackstock, Steve Orr, Bob Sexton, Bob Teegarden, and Matt Cappiello, chairman.

This year's artist guild aside from working with mosaics and other various forms of art, has done much to earn merit. Most of the work was done during the second semester.

FRENCH CLUB

Mr. Alcorn
moderator

There exists a common bond between the teachers and parents in the LaSalle Parents Association. Its main purpose is to assist and advise, whenever possible, the faculty and administration in the academic and intellectual concerns of the school. It has done this through many activities carried on throughout the year. These include the Parents Association, Building Fund Drive, the Audio-visual Department Drive, two parent's dances, and the important Career Information Program. The Parents Association holds four meetings a year at which curriculum and educational topics are discussed, and informative talks delivered by guest speakers. We can rightly praise this organization for their contributions to the student body.

PARENTS ASSOCIATION

ALUMNI

The Alumni of LaSalle are never forgotten but remain still in the life of the school. Brother Paul, moderator of the Alumni Association, is responsible for this continual tie between the past and present.

The Annual Alumni Banquet and the Alumni Varsity Basketball Game are but two of the activities carried out by it. There is also the sending of bulletins to the alumni about coming events and the proposed bulletin to come out this spring relating current activities of graduates of LaSalle.

Proud of our Heritage . . .

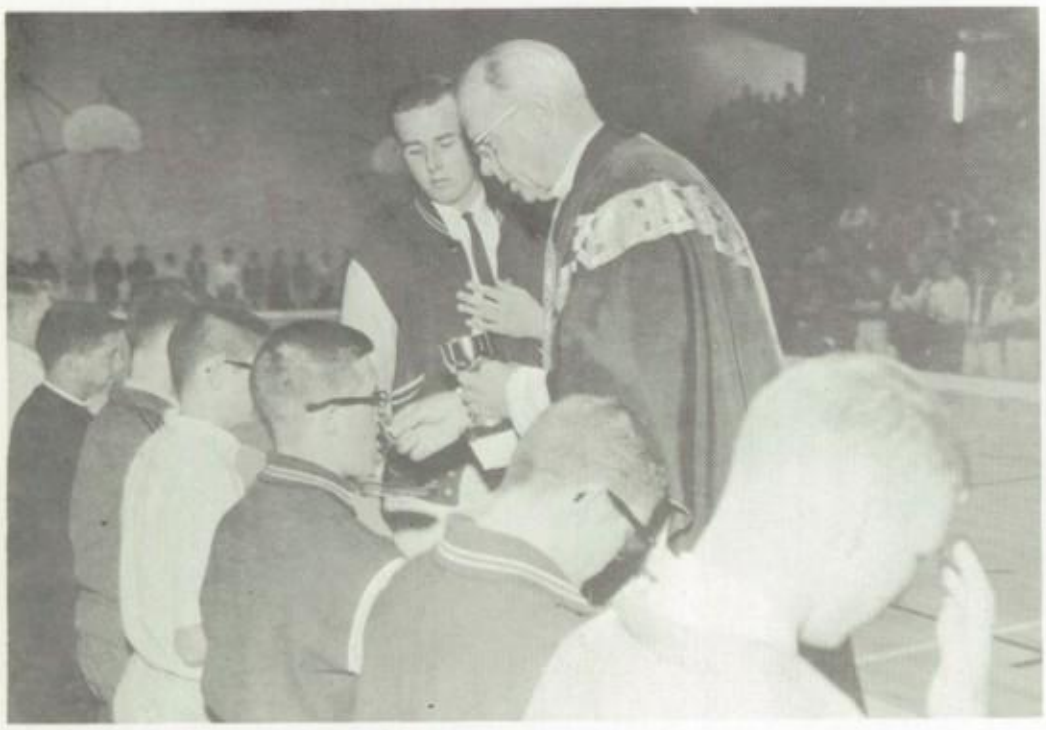
Seniors Baumer, Indergand, Baum and Steel help Frosh gain a greater respect for La Salle.

Dick Baumer makes the morning and afternoon announcements over the P.A. system.

Seniors and Freshmen load rubbish collected on workday.

The important senior activity of gaining entrance into college is explained by Mr. John Scudder, admissions director of St. Mary's College.

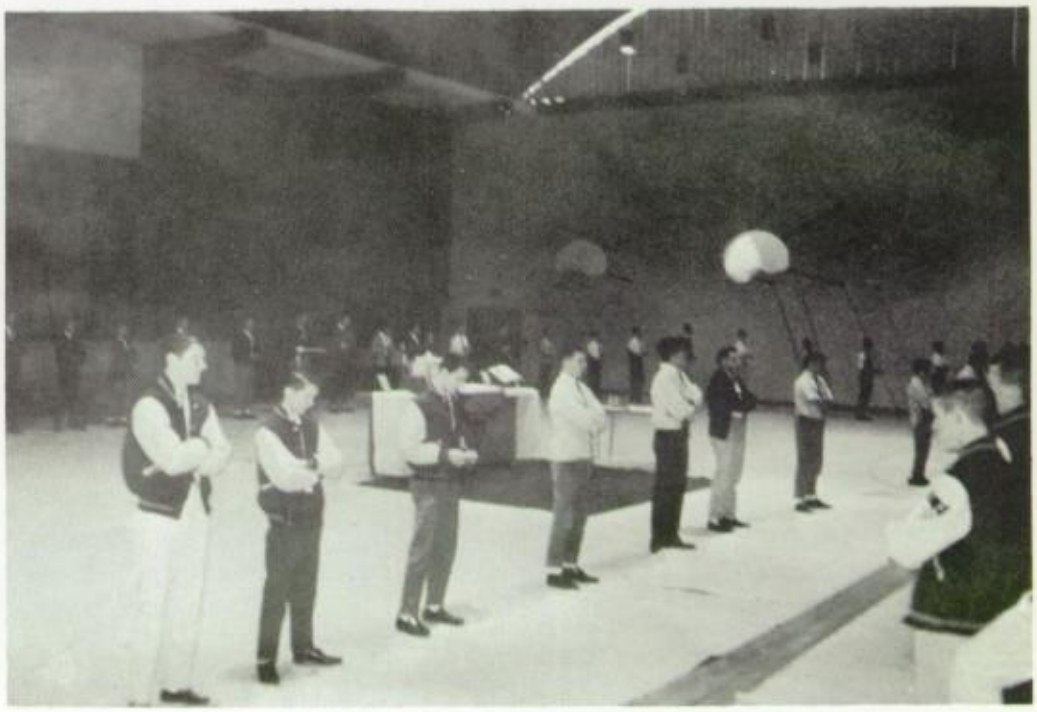
RELIGIOUS ACTIVITIES



Father Dougery distributes communion during student body Mass.

The numerous benefits and hardships of a religious vocation were explained by Father Seymour of Assumption Parish.

The Mission Council, moderated by Brother M. Martin, led the school in a successful mission aid drive.



The retreat for the Juniors, Sophomores, and Freshmen was opened daily with a living rosary made up of the students.

The Legion of Mary has done meritorious work with orphaned children in the Pasadena area.

Reverend Maximos Mardelli explains the Melchite Rite Mass to the student body.

FRESHMAN INITIATION

Lowly freshman bows to mighty senior.

The purpose of initiation week was to acquaint the Freshman with La Salle and with its spirit, and to give to them the opportunity of expressing their spirit, at the expense of their own pride. This purpose was realized in its entirety as a result of the organizational efforts of Senior Class President, Dick Baumer, and by the co-operation of both the Senior and the Freshman classes.

Freshmen salvaged some pride in bringing the sophs to a muddy defeat.

Seniors found odd amusement.

September—Welcome Freshmen Dance.

October—Andrew J. Volstead Dance.

DANCES

December—Sno Ball VI.

MUSIC DEPARTMENT

The La Salle Glee Club, directed by Brother Harold, has more than successfully proven itself a worthy follower of last year's precedent-setting group, advancing even farther the school's efforts in the field of music. Two shows, "Christmas Concert" and "Spring Showcase," were programmed, making Glee Club presentations regular traditions of the school year at La Salle.

The Glee Club is also organized as an extra-curricular organization. Under the leadership of Dick Baumer (president), Dick Steel (vice-president), and Phil Wheeler (secretary-treasurer), the members set and follow high standards of conduct and performance.

The Instrumental Music Program at La Salle this year has been enlarged and vastly improved. Two courses of instruction, Beginning Band and Advanced Band, have been offered. Beginning Band stressed the elements of tone production, the development of rhythm and the fundamental techniques of the instruments studied. More advanced technique and musicianship is emphasized in the Advanced Band course. Instructed by Mr. Ernie Del Fante, the Instrumental Music Program has as its main objective: "To provide the students with a basis for an intellectual and aesthetically discriminating judgment of music through the performance of the best in band literature."

On selected Fridays throughout the year, devotion at Mass is enhanced by sacred music. The Choir, led by Brother David, provides hymns and chants appropriate to the season. The only portion of the Music Department not assigned a class period, the choir consists of a small, willing group of Seniors.

Let us Honor Thee, La Salle . .

The Sophomores are to become Juniors and happily they hand down the title of "wise fools". In the past year the Sophomores contributed much to the appearance of the school by their tireless efforts during the Sophomore Workday.

The Freshmen also will soon abandon their inferior role and will quickly earn for themselves the title of Sophomores. They began the year with their precedent setting Freshmen Workday. They hope to continue in their role of leadership during the coming years.

Teacher of Manliness . . . . .

Not overlooked at La Salle is the importance of building a strong body in conjunction with a strong mind. This is accomplished through a comprehensive physical education program in the lower division and and extensive intra-mural and inter-scholastic athletic program ranging through all four years.

Dan,
The only used-car salesmen
I know. Good Luck at S.L.

Dear Dan:
(That's all I can write
without getting mushy)
sob! Sob.
Pat
Richards

Hail to thee our Alma Mater
We extol thee mightily.
Praise to thee and loyalty
We sing with voices in accord.
Proud of our heritage,
Proud of its dignity.
We willingly and gratefully
Salute thee La Salle.

Here and always as your true sons
Let us honor thee, La Salle.
Let us now with exaltation
Proclaim thee, the red and blue:
Guardian of Christian truth,
Teacher of manliness,
Let us again with voices raised
Salute thee La Salle.

That a dry tear!
